## ADVISORY TEACHERS FOR COGNITION AND LEARNING

### Who are we?

We are a traded service for schools working across Swindon Local Authority supporting schools to identify and support those children and young people with cognition and learning needs.

We provide advice and recommendations both online and face to face which is evidence based to help improve the impact of support

### Events This Term

We have been meeting with schools and young people this term to help understand their needs and offer recommendations as well as developing, writing and delivering training to support needs across Swindon in all key stages. We have both **online** and **face to face** training available this term which can be booked

## NEW Annual Review Form

We have made an update to our Annual Review paperwork, to allow us to capture information about Learning Disability Annual Health Checks for young people aged 14 and above.

If you are using the word document form when completing your Annual Reviews, please download the new version here ([Annual review of an EHC plan](#)). For those of you who are using the portal to complete your Annual Reviews, we are unable to update the form in the portal at this time. We therefore ask that you include information somewhere in the paperwork around whether a Learning Disability Annual Health check has taken place for young people aged 14 and over.
