

SEND NEWS SPLASH

ISSUE 193
18TH DECEMBER 2023

NEW PAGES ON THE LOCAL OFFER

The Local Offer pages are updated regularly with new information, services and advice. Below is a selection of updates that have been made in November 2023:

- Educational Psychology Service pages have been updated to show information for children and young people about what they can expect if they are meeting with an Educational Psychologist (EP) or an Assistant Educational Psychologist (AEP), and information for parents/carers if they have a child meeting with an EP or AEP.
- Local Area Decision Making page describes how Swindon residents can get involved in shaping services and the ways in which the local authority will involve children, young people and parents/carers in developing and reviewing the Local Offer.
- The page also explains what the SEND and AP Partnership board is, how it helps make sure that the voices of those affected by decision making processes are heard and how they can contribute to the running of services.
