## Mobiloo

Swindon Borough Council had been successful in gaining a grant to purchase a Mobiloo facility for Swindon.

A Mobiloo is a mobile toilet that enables disabled children and adults to use toilet facilities with dignity and respect at outdoor events where before they might have been unable to attend.

The grant funding has come from the UK Prosperity Fund, £170,000 has been secured to provide a mobiloo that once operational will be available for public and private hire for all community events in and around Swindon. This will supplement the great work on Changing Places which as you know are being expanded throughout the town.
