Dear Parents

After the general election, the school officially becoming part of The Blue Kite Trust and of course last weekend's dramatic football finale, it's been a busy summer on top of the usual events which have been happening at school over the last few weeks.

Firstly, I'd like to thank the PTA for the super fete. It was a gorgeous day, enjoyed by all and the super funds raised will be of great benefit to the school. The PTA team also helped on our lovely sports day which was again a really nice occasion, the children participated and supported superbly, culminating in a fun day for everyone.

Year 6 successfully visited France again, with the Turing funding supporting the cost to the school and parents. A parents' meeting for the current Year 5 parents will be held on 9th September to give further details on next year's residential experience. On the trips theme, in March 2025 Year 4 will once again be visiting PGL - letters will be issued early in September with a parent's meeting scheduled for the 16th September. Both meetings will start at 6:30pm.

We've also had a busy time with assessments for a number of the classes. I'm delighted to inform you that once again we have achieved well above the National and Local Averages in the EYFS, Phonics Screening Check, Multiplication Tables Check and Key Stage 2 SATs. More details will follow in due course, but a huge well done to the children and staff for these great results.

End of Year reports will be sent on Monday, with attendance sheets included on the academic year so far. We will also be sending final attendance summary emails on Friday 26th July.

On the staffing front, we only have one change to announce and that is that Mr Woodman will be leaving his contracted role with the school. I'm sure we will be still using his services for many of our events however we will be seeing less of him in school as he enjoys his retirement. Mr Woodman has been connected with the school since 2000. In his time here he has been an MDSA, on the PTA, responsible for the school website, organised radio club, added magical filming, audio and photographic elements to a wide range of school events and of course has been instrumental in our eco and travel work. He has also transformed our school garden and developed a generation of keen gardeners, as well as supporting numerous classes and teachers on school trips. He has also used his wide array of knowledge and interests to support the children and teachers in curriculum activities. As you can see, he has had a huge impact on Wanborough Primary School, and we can only thank him for all his contributions.

Step out on the Swindon Summer Trails Challenge!

Families across Swindon are invited to get out and about this summer by completing our 6 animal themed trails around parts of the town. The trails are all between one and three miles long, and take in points of interest, heritage, nature and play parks along the way.

For every trail completed, there's an animal badge to collect and an entry into the prize draw to win a variety of prizes. The trails will be launching on Friday 26th July, when trail leaflets will be available at the main Swindon libraries and on the website at <https://www.swindontravelchoices.co.uk/home/activeswindonchallenge/>

Fantasy Football

For the usual suspects, and hopefully some new players for 2024/25, Wanborough Primary School is once again taking part in the annual Fantasy Football competition.

Mark has just taken part in a charity swimathon in support of Swindon Down's syndrome group. He swam 88 lengths in the pool within 1 hour.

Congratulations to Emelia who has recently passed her Grade 2 Piano exam with Merit. All those hours of preparation and practice paid off - well done!

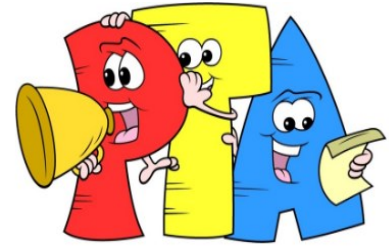

Daisy has had an amazing term of achievements. She won silver for Wanborough in an U9's tennis tournament, received her 600m badge and learnt water safety in swimming. Furthermore was awarded her white belt in martial arts and earnt various badges in cubs. Well-done Daisy.

Congratulations to Wanborough Tennis Boys and Girls who were awarded Gold and Silver at an U9s tennis tournament, competing against teams from across the county. Well done to Daisy, Lowri, Noah, Shairee and Thomas

We could not have wished for better weather for the school fete Saturday the 29th! We really hope you all enjoyed yourself and we hope you all had a lovely time!!!! This year we saw several new stalls including Squishmallow or Marshmallow (which was so successful it ran out of prizes in the first hour), Nerf guns and friendship bracelets, alongside old favourites like hook a duck, smash a can, tombola, adopt a teddy and wheel of fortune. The bouncy castles (sponsored by Primary Homes and Lettings) as always were popular with our younger guests, whilst the bar as always was popular with our older guests, so popular in fact that we had to pop out to Sainsburys not once but twice. We sold out of raffle tickets, which highlights the importance of bringing back any unsold tickets to the school, as we definitely could have sold more. We saw entertainment from Mini Movers, and Zumba, and finished with the return of the fete favourite tug of war. We watched almost 50 children and adults take part in the Feteball football tournament ran by the Wanborough Wasps, which kept the crowd entertained, and saw The Harrow football team walking away winning the adult competition, whilst also serving the masses yummy hotdogs, burgers and halloumi burgers. The Harrow also kindly donated 15% of all sales to the PTA. We also received donations for sales from Franco for ice creams and Glamarose for delicious treats, so thank you all for spending your money, and filling your tums.

We are really pleased to be able to tell you that we managed to raise just over **£3,600**, which is a huge amount that will be put towards purchasing the new interactive white boards in all the classrooms. These whiteboards are going to cost around £10,000 so there is still more to do, however this will go a long way to supporting our goal. More important than the money raised we saw lots of happy smiley faces and saw our school community coming together.

THANK YOU

We also must give an absolutely huge shout out to all the lovely volunteers, who we think are absolute stars. From the PTA committee who have been meeting and planning the fete from Easter, to all the parents, grandparents, teachers, TA's, school staff, and members of committee who took an hour or two, or in some cases four and gave up their time to make this fete happen, to ensure all of our children had the best time and to help raise the huge amount of money. To everyone helping to set up and prepare the school on the Friday night, and the ones who turn up on a Saturday morning to finish the preparations, to the ones who hang around afterwards and helped us pack away and restore the school ready for Monday morning, to those that were sat in a classroom until 7pm counting, and double counting the money. You are brilliant, and none of this could be done without you. Thank you so much and..... same time next year? Extra special thanks has to go to Mrs Hook who kept all our Saturday morning volunteers happy with cups of tea/coffee and bacon sandwiches, Mr Woodman for all his efforts on the PA system and with the tug of war, and Mr Luckhurst for opening up/closing up and generally just being a great help!

If you are thinking that you would like to volunteer for the PTA then please drop us an email on contactpta@wanboroughprimary.org we would love to hear from you. You would be welcome to join either our group of committee members who meet regularly in the pub, plan and execute all the events, and discuss with the school what events to run, and what to spend the monies raised on. Or you can join our group of helpers, these are amazing people who volunteer at our events, and who many of the events would not run without. We are keen to get started on plans for next year so now is definitely a good time to join!

As the academic year draws to a close, that is it from us, Our last event for the year Frozen Friday was a great success! Thank you to everyone who took part in the stocks and purchased ice creams from us, we really appreciate your support.

AT CLARKS, WE'VE DONE OUR HOMEWORK

12TH JULY 2024

With almost 200 years of children's foot health expertise, parents trust Clarks to deliver perfectly fitting, science-backed pairs of shoes that empower kids to be their very best selves - all day, all term, all year.

We understand that buying shoes can be stressful, so at Clarks we aim to make the process as quick, easy, and stress-free as possible.

As the cost of living continues to bite this summer, Clarks will be keeping our market-leading school shoes at 2023 prices. From a reassuring 3-month fit guarantee to money-saving bundles, we have also got plenty of offers and services to make life a little easier for parents this back-to-school season.

MORE THAN A FIT. IT'S A GUARANTEE.

If kids' shoes don't fit three months from their in-store fitting, parents can exchange them for a new pair. It's as simple as that.

IN-STORE FITTINGS

We offer Free expert fitting and measuring. Appointments can be booked ahead of time via the QR code attached or drop in for a walk-in appointment, available all day.

QUIET TIME APPOINTMENTS

If shoe shopping is overwhelming for little ones, customers can visit Clarks stores at a time when there are fewer crowds, less noise and gentler lights. Pre-book an appointment or just walk-in, the option is yours...

Please contact your local store if you'd like to book a Quiet Time appointment.

We want to make the Back to school season as smooth as we can for parents whilst continuing to make school shoes that help kids move comfortably and freely.

We look forward to seeing you instore soon!

LIGHTHOUSE NEWSLETTER

Summer 2024

Welcome to our last newsletter of the academic year! We will send a new one each long term for all parents- so keep an eye out. We will be sharing the events and courses we are running, top tips and more! See below for more information on who we are and what we do.

What is Lighthouse?

We are an Early Intervention service supporting children and their families within the Blue Kite Academy Trust schools.

We are made up of Family Workers, Inclusion Workers, an Educational Psychologist, Educational Welfare Officer and Trainee Play Therapist.

We work in many different ways- sometimes directly with children, sometimes with parents and carers. We also offer regular workshops, courses and 1:1 drop-in sessions for one off advice - please speak to your child's school for more information or if you feel you, or your child, may benefit from Lighthouse support.

Courses

We currently run the following courses/workshops regularly and these will begin again in September- dates will be sent out by schools as well as being advertised on our Instagram page.

- Managing Screen Time
- Supporting Big Feelings: Anxiety
- Supporting Big Feelings: Anger
- Eating Well
- Sleep
- A six week 'Family Foundations' course which has practical ideas to improve behaviour, relationships and more within the family home

We are also looking into creating one around siblings/family dynamics, if you have any ideas for further workshops which you feel would be useful please email us with your suggestions on:

lighthouse@bluekitetrust.org

THIS MONTH'S TOP TIP

Screens! A really useful tool for getting things done with children in the house but also, often, a cause of arguments and upset. With the summer holidays coming up it's likely that, for a lot of children, their screen time will increase. Here are some top tips for managing this:

- Have a clear time boundary around screens but, where possible, have some flexibility with this. Imagine if you were watching a mystery film and just as the 'big reveal' was coming up someone said, 'Right, times up, off it goes!' - you would likely feel very frustrated!! Sitting with your child not only helps you find a good time to turn it off- helping them to recognise this too- but it helps you connect with their interest and also understand more about it from a safety perspective too.
- Have an activity set out for them to come off to. Screens do the entertaining for your child so it can be tricky for them to then come off and find fun independently. Try and set something quick and easy up for them to move on to- play-doh, a water tray, an obstacle course outside, a walk to the park.
- Try to encourage screen time use away from YouTube (especially shorts!) which are made to be totally addictive- and more towards low stimulation shows or age appropriate films. They are much easier to come away from as they don't give such a huge dopamine hit that is then very hard to put down and stay away from!

- See our additional page for events going on over the summer holidays. Visit Days Out With the Kids' website or 'Days out For Kids Swindon' Facebook page for ideas further afield!

SUMMER HOLIDAY NO SPEND/LOW SPEND

Six weeks can be a long time to fill and the cost can soon rack up! Keep an eye on our Instagram page where we will share any further local events that might be of interest. Here are some free/cheap ideas to fill some of the days!

- Download 'Playground Buddy' to discover new parks. If you know of an area with lots of parks (North Swindon is great for this!) let your child choose left or right every time the road or path forks and then play at every park you find on your way. Take a picnic!
- Check Swindon Rocks- Summer Holidays for lots of free events, including weekly music concerts at Town Gardens, Old Town.
- Collect lots of leaves and thin twigs on a walk and then put them into a big bowl for snipping and snapping. Add spoons, water and paints for potion making.
- Hold a Family Sports Day- egg and spoon races, water balloon relay races and obstacle courses!
- Get a big paint brush and a bowl of water and 'paint' the fences or walls outside. Or chalk first and then wash off with the brushes.
- Have a theme day- such as rainbows- and do some crafts, games and meals based around the theme.

SUMMER HOLIDAYS LOCAL EVENTS

Here are some activities that we have heard about that you and your children may enjoy over the summer break. They are not directly recommended by us but we hope that there will be something for everyone!
